Super Bowl Cruise Tradition

Cruisin' With Class has been hosting a Super Bowl cruise since 2012. The 2013 cruise was a huge success. We cruised with Carnival Cruises from Miami to the Bahamas, enjoyed a huge Super Bowl party and boogied to a 70s themed party onboard.

This year, we are hoping that the cruise will be even more spectacular. The 2014 Super Bowl cruise sets sail from Fort Lauderdale, Florida on a five day Royal Caribbean cruise to Belize City, Belize and Cozumel, Mexico. We will be partying the whole way there!

Highlights include:

- Pre-cruise red and black themed party
- On-board parties with open bars and live entertainment
- Super Bowl at Sea party
- All-inclusive food, drink and water sports at Mr. Sanchos in Cozumel

Dr Coppertino aims to "keep alive" the premise that stuffed bears are therapeutic, silent friends and great company keepers to their owners."

Mercy Mission Bear Hospital

Dr Marcia Ann Mims Coppertino founded the Mercy Mission Bear Hospital and Adoption Agency in November 2012. Employees of the hospital repair and rehabilitate abandoned bears and then donate these companions to people suffering from long term and terminal illnesses, lonely seniors and to children in need of "comfort care" friends

The hospital employs four Seamstresses and Repair Assistants, a Bear Nurse Prac-

titioner, an Ortho-bear Doctor and several volunteers who assist with administration and in searching out abandoned and discarded bears in the community.

These bears, once forgotten, now give new hope and happiness to the people who adopt them. Dr. Coppertino believes that the teddy bears are therapeutic and that they can be great friends who help their owners through their personal struggles.

They donate 90% of all proceeds to charities in the local community; the other 10% goes to the operating costs of the facility.

Cruising - The Basics

Have you been reading our newsletter, thinking about trying a cruise but not sure if it was right for you?

A cruise combines relaxation with excitement in a way that you don't get on a land vacation. While you travel from destination to destination you can sleep, partake in onboard entertainment or enjoy the view from a balcony, so your travel time is never wasted. Since you're constantly on the move, you can

see several different destinations on a cruise vacation compared to the general immobility of a resort-based vacation.

One benefit of a cruise is the free onboard entertainment that ranges from concerts to sports facilities. Some things aren't included in the package, usually spa packages and selected restaurants, but there's always more than enough to do on your cruise ship.

Cruise packages include food; however, they don't include soft drinks or alcohol. Fortunately, when you pick a Cruisin' With Class package, we arrange several events with open bars for our cruisers.

Plus, with closed-loop cruises, you can travel internationally without a passport since the cruise begins and ends on US territory. If you don't have a passport, it's a great way to see the Caribbean or Mexico.

Advertise your Company: Sponsor a Getaway!

Imagine your company logo on all the swag we give to our happy cruisers

Are you a small business owner or a manager looking for a fresh way to advertise? Sponsor a Cruisin' With Class cruise. We have three sponsorship levels featuring different benefits to you: Platinum, Gold, and Silver.

Mercy Mission Bear Hospital is the platinum sponsor for our 2014 Halloween Cruise.

At all levels, your company will receive advertisements on our website, social media outlets and quarterly newsletter. Your logo will be placed on select merchandising distributed during the cruise. There will be a banner at each event and your company will be mentioned by the DJ. For more details about the packages, contact Sherry Hudson at info@cruisinwithclass.com.
